

## Monterey County GREYWATER Working Group

**Tuesday, March 17, 2009**

**1:30 – 2:30 PM**

Monterey County Business Council  
*Conference Room*

1732 Fremont Blvd, 2nd floor  
Seaside, CA

(above Grand Buffet Chinese Restaurant, across from Kragen Auto)

*Working to establish installation guidelines for greywater and water catchment systems  
in Monterey County*

### **AGENDA:**

1. Identify definitions to be used for Monterey County (greywater, rain water, reclaimed water, recycled water, etc.)
2. Create a plan for the “Residential World” Case Study: What are options for a residential homeowner, what are regulations/ordinances that exist or are needed?
3. Identify additional stakeholders, experts to include in this process, if needed
4. Next meeting date, frequency

**RSVP to:** Kim Ha, Director of Competitive Clusters, [kha@mcbc.biz](mailto:kha@mcbc.biz) or (831) 521-7586.
